

The 6T Courtyard Studio Network Night is a TF event.

Being a TF – 'Trade For' event provides a great opportunity for models. Makeup artist and photographers to build their portfolio and work with each other without either party paying a fee. Simply, photographers exchange their skill in taking and editing the images in return for the model's or makeup artist's time and experience. Each may participate in the creative concepts that are explored, unlike a commercial shoot that may have a fixed brief.

Copyright is retained by the photographer, the model and all parties are free to use the images for their respective portfolios. In doing so the Model, Photographer, Make-up Artist and Courtyard Studio Network Night should be credited each time the image is used.

6Towns contact cards are available on the reception desk. Please add your details and use these to exchange contact information.

This event is arranged by 6Towns Photographic Club as a social event for Models make-up artists and photographers to meet, improve their skills and network together in order to gain paid assignments.

So in the interest of fair play;

Models, please remember to Credit the photographer and Courtyard Studio each time you use the image. A simple 'image by' or copyright and name of the photographer will be fine.

Photographers, please remember to share your images with the model or makeup artist. That is their pay for the great effort that we have seen in costumes and makeup, and remember that some have travelled a considerable distance to participate in the 6T Courtyard Studio Network Night. Make sure also to credit the model, Make-up Artist and Courtyard Studio Network Night when using the image.

Check which profile name should be used, there may be a stage name that is preferred for their modelling / business career, if this is the case please respect their wishes.

There are a number of ways to share your images ;

Facebook – a public way to share your image within the ' 6T Courtyard Studio TF Network night Forum.' This will share the images with the model / makeup artist along with others within our group.

Direct – you can send the images direct to the model / makeup artist.

Or Share Via Us – you are welcome to share your images with the model/ makeup artist through us. Simply email to **imageshare@ 6townsphotographicclub.co.uk** - If there are just a few then email will be ok or use WeTransfer <https://wetransfer.com> to upload and again send to imageshare@ 6townsphotographicclub.co.uk and we will make sure that the images are passed on to the appropriate model/ makeup artists. This may be easier if you are not on social media or contact details of the models.

Don't be reluctant to send images because you feel that the work of other photographers may be preferred – let the model/ makeup artist be the judge.

This Network Night is a social studio event organised by 6Towns Photographic Club every 3rd Sunday of the month. Membership of the club is not required to attend the Network Night. For more information about other events organised by the club check the website. We meet every Wednesday evening with guest speakers, studio workshops, outdoor workshops and postproduction training.
